STATE ROAD WORK FOR BOURBON ROADS

The Versailles-Lexington Highway will become a State road within the next two or three weeks, it has been announced by State Highway Engineer Joe S. Boggs. The county highway engineer has almost completed the work of putting the road into condition for State maintenance, he said. Formal action probably will be taken at the next meeting of the State Highway Commission.

The State by the end of 1922 probably will be maintaining every trunk line highway out of Lexington, according to the commissioner. The road engineer of Bourbon county has agreed, he said, to put the Paris-Lexington highway into shape for State maintenance, and the engineers of Fayette and Madison counties have promised to resurface the Richmond-Lexington highway so it can be taken over.

With the completion of four and one-half miles of highway construction work the contract on which a distance of about thirty-two miles, will be of concrete or rock asphalt road. This, with the taking over of the Versailles-Lexington link, will give a first-class road from Louisville to Mt. Sterling.

RADIO MANIAC HAS BRIEF RESpite

Ernest Small, colored, who claimed to be receiving radio messages from all parts of the world, and who was adjudged insane and sent to the Lexington Hospital for the Insane, escaped from that institution, and returned to Paris, as he said, "to tune up his radio set." Small was taken in charge by Paris police when he alighted from an interurban car and taken back to the Hospital. He imagined he was in wireless communication with President Harding and William Jennings Bryan on matters of national importance.

WOMAN INJURED FIRBAY NIGHT REVEALS IDENTITY

Identity of the woman who was thrown from an automobile at Fourteenth and High streets, Friday night, after having clung to the radiator of the car from Fourth street, where she was struck and was picked up while attempting to get on the car, was established Saturday as Mrs. Robinson, wife of a citizen of Nicholasville, Ky. She was formerly a Miss Schumate, a trained nurse, of Paris, and was married to a Mr. Quisenberry, of Winchester, several years ago, afterward being divorced.

According to a statement alleged to have been made by the woman to several persons after she was picked up from the road and carried into a nearby house, the driver of the car which struck her, was I. D. Thompson, Sr., of Paris.

In her statement she is alleged to have said that she accompanied Thompson to Paris, from Louisville and that he had threatened her life several times with a revolver during the trip.

About five years ago, Thompson was sued in the Bourbon Circuit Court by Quisenberry, the woman's husband at that time, for \$10,000, alleging alienation of her affections. The case was settled out of court. He has for a number of years been extensively engaged in the wholesale lumber business in Somerset, Ky., but makes his home in Paris.

An effort was made by county officials to obtain a statement from the woman, but was prevented by her physician, who said she was in no condition to undergo the strain of an interview. The woman is said to have suffered a broken hip and numerous severe bruises about the body which will confine her to the hospital for several weeks, erson at the Massie Memorial Hospital yesterday County Attorney D. D. Cline, filed an affidavit to a warrant charging Thompson with assault with intent to kill. The warrant was issued by County Judge George Batterton, and served on Thompson by Sheriff M. Peale Collier. He was placed under bond of \$2,500 to answer to the charge and was released. The trial will not be held until the injured woman is able to appear in court.

DRIVE FOR NEAR EAST RELIEF FUNDS

At a meeting held recently in the County Court room in the interest of the Near East Relief Fund, Rev. Frank M. Tindler, pastor of the North Middletown Christian church, presided. An organization was effected with Mrs. Howard B. Carr, as County Chairman, to be assisted by Rev. Mr. Tindler. The third Sunday in May has been set apart by the ministers of the county, when an offering will be taken. The week preceding the third Sunday in May a drive will be conducted in all the schools in the county.

Bear this in mind, and be ready with your contribution for this very worthy cause.

HEREFORDS FOR KENTUCKY STOCK SHOWS

The following clipping was sent THE NEWS by the Kansas City Drivers' Telegram: "There were shipped from the yards recently 30 head of high-grade Hereford steers averaging 800 lbs. consigned to J. H. Woodford, of Paris, Ky. These steers were bought for the purpose of handling for the Bourbon Fat Stock Feeding show, which will take place at Paris on November 23 and will last two days. Prizes amounting to \$5,000 in cash will be given at the show, which is open to exhibitors from Georgia, Mississippi, Alabama, Kentucky and Tennessee."

FIRE DEPARTMENT HAS A BUSY SUNDAY

The peace and quiet of the fire department was rudely disturbed Sunday by three visitations of fire, which called them to as many different places at varying intervals.

The first alarm came from Box 26, about 1:30 in the afternoon. Upon responding the department found a negro shanty near the Tenth street passenger station of the Louisville & Nashville, in flames. The fire was extinguished with a property loss of about \$200.

About 5:30 in the afternoon, an alarm from Box 13 called the department to White Addition, where a barn belonging to Dr. J. A. Gilkey was discovered to be on fire. The barn, built about a year ago at a cost of \$1,500, was burned to the ground. The fire is supposed to have originated from a combination of matches and small boys playing in the barn. An automobile and truck stored in the barn were saved. The Massie Memorial Hospital, and the home and garage of E. T. Sheeler, situated a short distance from the barn, were in danger for a time, but the good work of the firemen put them past danger. There was no insurance.

Waste paper in the basement of the Paris High School building, on Seventh street caught fire, presumably from spontaneous combustion, about eight o'clock, Sunday night, bringing an alarm from Box 18. The fire was discovered by Miss Annie Farrell, a teacher, who happened to be passing. The fire was extinguished with no property loss, the damage being mainly by smoke and water.

Fire, Wind and Lightning Insurance.

THOMAS, WOODFORD & BRYAN
COMMUNITY SERVICE CONCERT

The Community Service Music Committee has arranged a series of concerts to be given, one each week for four weeks, beginning Friday evening, April 28, at the Y. M. C. A., at 7:30 p. m. A very interesting program has been arranged, including community singing. The selections for the week of the Music Memory Contest will also be presented. Everybody is invited to attend. There will be no admission charged, and no subscription asked. Come and enjoy yourself. The selections for the Music Memory Contest this week are as follows:

- 1—"Land of the Sky Blue Water"—Cadenmen.
 - 2—"Barcarolle," "Tales of Hoffman"—Offenbach.
 - 3—"To a Wild Rose"—McDowell.
 - 4—"Minuet in G"—Beethoven.
- HARRY KERSLAKE, Chairman.

THREE HURT WHEN CAR TURNS OVER

James W. Grinnan, of 155 East Second street, Lexington, formerly of Paris, suffered a broken left leg and minor injuries when an automobile in which he was riding overturned on the Richmond and Lexington road in Madison county, Sunday morning.

In the car besides Grinnan were Arthur Siebrecht, of 155 East Second street; Charles Grinnan, the latter a son of the injured man, and Roy Smith.

Smith was knocked unconscious and had rib broken; Siebrecht lost two finger tips of the left hand, while young Grinnan escaped uninjured.

According to the story told by Charles Grinnan, the party left Lexington early Sunday morning for Boone's creek on a fishing expedition. When they reached the Madison county line, trouble developed in the wiring of the car which forced the driver to turn out the lights. As day was approaching, the party decided that the destination could be reached without the aid of lights.

When near the top of a steep incline the car ran off one side of the road before it could be righted by the driver, and turned over.

James Grinnan was pinned under the car and could not be removed until help came from people in the neighborhood.

Young Grinnan telephoned his cousin, Ernest Lawson, of Fayette county, who went to the scene and brought the occupants of the wrecked car to Lexington.

The Grinnans formerly resided in Paris, having moved to Lexington about five years ago. James Grinnan is employed by the Lafayette Phoenix garage as an automobile top trimmer. At the Good Samaritan Hospital yesterday the injured men were said to be resting well.

BASE BALL

The results of the opening day contests were as follows: Lexington 19, Paris 7; Cynthiana 15, Mt. Sterling 9; Maysville 3, Winchester 1.

Following the opening game at Maysville, Thursday, the real opening of the Blue Grass League took place Sunday, when all the teams participated in games, as shown in the above table of results.

Paris lost a hard game on the Lexington grounds, when a series of hits that would ordinarily have been hits only, went over the short field fence and helped to swell the Lexington team's batting average. In the final reckoning the score stood 19 to 7 in favor of the Lexington team. Shepherd started the game for Paris, but was taken out after seven runs had been made off his delivery in the first inning. McCord finished the game. Taken altogether the locals played against some very heavy odds in the opener. The game was witnessed by a crowd estimated at 1,200. The Paris team lined up as follows:

Gleason, lf; Woods, 2b; Mann, 3b; Wills, 1b; Brockman, ss; Burnett, cf; Asbury, cf; Maxey, c; Shepherd and McCord, p.

The score by innings:

Paris . . . 0 0 1 1 1 2 2 0—7
Lexington . 7 0 0 4 0 4 1 3 x—19

The game scheduled for Friday on Stoll Field, Lexington, between the University of Kentucky Model High School and Paris High School teams was called off on account of the death of Mrs. Frank L. McVey, wife of President McVey, of the University.

The Carlisle High School team administered an overwhelming defeat to the Paris High School team in the game played at Jackson Park, in Carlisle, Saturday afternoon, by the score of 25 to 4.

On account of objections urged by residents of the vicinity and the Massie Memorial Hospital management, the Church League agreed to abandon the new grounds they had under way in White Addition. The objection urged by the Hospital people was one that impelled instant action by the League. Mr. A. B. Hancock has donated the League the use of the grounds on Winchester street, adjoining the residence of J. Hal Woodford. These grounds will be put in fine shape, and the original program, including the parade on opening day, May 2, will be carried out as planned.

Articles incorporating the Paris, Kentucky, Baseball Club were filed Saturday in the office of the Secretary of State at Frankfort. The club is capitalized at \$2,500, with Mrs. Leer Stout, Frank Burton and Grant Senders as incorporators.

Everything is in readiness for the opening game at the Paris park on Thursday, when the locals will meet the Mt. Sterling team of the Blue Grass League. It is hoped merchants of the city will enter fully into the spirit of the occasion and give their employees a half holiday, in honor of the event. The day will begin with a parade by the teams, headed by the Y. M. C. A. Boys' Band, followed by citizens in automobiles, and the members of the Church League teams, and the Paris Pirates. Manager Goodman is putting his men through strenuous practice every day, and they will be in fine form for the Thursday game. The fence surrounding the park has been moved back several feet, enlarging the playing field. A force of laborers is employed every day on the grounds, which are being put in the best possible condition for play. Manager Goodman says the defeat of Sunday will only serve to show the locals some of their weak points, and that those who come to the Paris park Thursday will get their money's worth.

ARBOR DAY ANNIVERSARY CELEBRATED AT P. H. S.

Pupils of the Paris High School celebrated the golden anniversary of Arbor Day at the school, Saturday morning at 10:30 o'clock, with the following program:

Presentation, Milton Adair; song, "The Linden Tree," High School Girl's Quartet; reading, "Planting of the Apple Tree," Miss Anna Mae Young; "The Activities of the Garden Club," Mrs. J. T. Vansant; piano solo, "Spring Song," Miss Alice McClock; address, Prof. Leland, University of Kentucky; song, "Only A Dream of Summer," High School Girl's Quartet; planting of tree on the campus by the Senior Class in Economics.

LEXINGTON SPRING RACES BEGIN NEXT SATURDAY

The spring meeting of the Kentucky Jockey Club marking the start of 1922 racing in the West, will be inaugurated Saturday at the historic Kentucky Association grounds of the Kentucky Jockey Club, in Lexington. A ten-day meet will be held, during which two stakes, even handicaps, fifty-nine purses, the Ashland Oaks, a stake for three-year-old fillies, and the Blue Grass Stakes, or the "Derby Trials," the outstanding event of the card, will be contested for.

It will be the first meeting under the management of Mayor Thomas C. Bradley, who was recently appointed resident manager, and bids fair to be one of the most successful held in years.

Over 700 horses are quartered at and near the track and from now until the opening day there will be a steady stream of horses, turfmen and attaches arriving in the city. Some of the most successful riders at the winter tracks and jockeys who have won fame on the Kentucky turf heretofore will be there to accept mounts, not counting the boys who will come down from the Eastern circuits.

Among the races to be contested for, the Ashland Oaks, which will be run Tuesday, May 2, the third day of the meet, and the Blue Grass Stakes, an event of the seventh day, will draw the most attention. The Oaks always serves to show the outstanding filly of her class and this season will draw a lot of attention from the Blue Grass horse lovers.

The Blue Grass Stakes is the feature of the meeting. This race for three-year-olds will include some of the band that will face the barrier in the Derby, and a test of the three-year-old speed and endurance for one mile and an eighth.

Judge Charles Price has called a meeting of the stewards for Friday to pass on the applications for licenses of owners, trainers and jockeys. General Manager Winn has announced at his office in Louisville that J. S. (Tony) Wallace would be the handicapper to fill the vacancy caused by the death of Edward Jasper, upon approval of the racing commission.

BOURBON MEDICAL SOCIETY

Dr. F. A. McCarthy, of Cincinnati, was a guest of honor at the recent meeting of the Bourbon County Medical Society, held in the County Court room in the court house. Dr. McCarthy was introduced by Dr. W. C. Ussery, of Paris, president of the Bourbon county organization.

Other out-of-town physicians present were: Drs. J. A. Stucky, Wm. Stucky and Dewees, Lexington, Drs. Wells, Moore, Ruse and McDowell, Cynthiana. An interesting program was presented, including papers on a number of subjects of interest to the profession. Dr. McCarthy was the principal speaker of the evening. Dr. J. A. Stoeckinger, of Paris, was absent, having been called to the sick bedside of his father, who has been seriously ill at Michewauka, Indiana.
